Samhain
Inkubus Sukkubus

Samhain

Tabbed for the acoustic guitar (and pronounced Sow-ane)

Verse 1
```
Bm       D
From the west comes old Death
  F#
A-riding on the storm
     Bm              D
With hungry eyes for funeral fires
   F#
To burn till the morrow s dawn
    Em          G
For tis the night, here comes the dead
Bm
Unbound from the Underworld
        Em                    G
And the children dress as the babes of Hell
        Bm
All the boys and all the girls
```

Chorus
```
        D     A
And the fires shall burn
        C#dim             F#m
And the wheel of life shall turn
 D        C#dim   F#m
And the dead come back home on Samhain
    D            A
And in the night sky
       C#dim            F#m
On the lunar light they fly
 D        C#dim   F#m
And the dead come back home on Samhain
```
