Wildfire
SBTRKT

These chords do not go with the original tune, but I found that they go well with
a cover version. Use your imagination and have fun! :)

Am **E** **D7**
Rush in the night like a shock, babe, would it be bad?

If I had to-
Am **E** **D7**
set the alarm cause those thrills that run up my back.
Am **E** **D7**
You re my star nothing else can lead me off track.
