If I Had Words
Scott Fitzgerald

Finger-picking will make this sound even better.
Enjoy!

```
G  D Em  G         C     G
If i had words to make a day for you
G    C   Am  Em  D      G          D
I d sing you a morning golden and true.
G  D    Em    G                C   B
I would make this day last for all time
     C   Am  Em  Am           G  D  G
And give you a night deep in moonshine.
