you dopes are all the same and that s why i m so ashamed
        E                                     G           A
to be a part of what might be called the punk rock community
                D                             G
you take things way too seriously or else you take them too lightly
          E                        G                A
post messages on aol but don t you dare fuck with janelle
