        C#                 G#           C#                              F#
Am I Dreamin , or Stupid, I think I ve been hit by Cupid
       C#        G#           F#      G#     C#
But no one needs to know right now.
           C#                 G#
I met a tall dark and handsome man
C#                                     F#
and I ve been busy makin  big plans
       C#        G#           F#      G#     C#
But no one needs to know right now.
             C#                  G#                 C#                  F#
I got my heart set, my feet wet and he don t even know yet
       C#        G#           F#      G#     C#
But no one needs to know right now.
```

[Chorus]
```
                F#                                          C#
I ll tell him some day some way some how
                     F#                           G#

[Verse 2]
```
               C#                                G#
I want the bells to ring a choir to sing

The white dress, the guests, the cake, the whole darn thing
       C#        G#           F#      G#     C#
But no one needs to know right now.
```

[Chorus]
```
                F#                                          C#
I ll tell him some day some way some how
                     F#                           G#
But I m gonna keep it a secret for now
```

We ll have a little girl, a little boy, a little bengi we call leroy
       C#        G#           F#      G#     C#
