VERSE 1:
```
Dm      C               F
In open fields of wild flowers
Dm               C             F
She breathes the air and flies away
                              Dm
She thanks her Jesus for the daisies
        C        F
And the roses in no simple language
Dm             C    F
Someday she ll understand the meaning of it all
```

BRIDGE:
```
G#                                  F
He s more than the laughter or the stars in the heavens
   G#                         F
As close as a heart beat or a song on her lips
G#                            F
Someday she ll trsut Him and learn how to see Him
G#                         Gm
Someday He ll call her and she will come running
    F#
And the tears will fall down and she ll pray
```

CHORUS:
```
F         Bb                 Gm
I want to fall in love with you

```
Dm-C F [x2]

VERSE 2:
```
Dm      C               F
Sitting silent wearing sunday best
Dm         C                  F
The sermon echoes through the wall
                              Dm           C
A great salvation through it calls to the people
               F
Who stare into nowhere
