F#m-E-D
Through the middle of the night unknown,
F#m-E-D **E**
On a ride that won t let me go,

[Chorus]
A **E** **F#m**
I m an asphalt, Cowboy, born to run underneath the stars,
D
pay no mind to my lonely heart,
A **E** **F#m** (**A**) **D**
I just ride, ride, till I m back in your arms again,
F#m **E** **D** - **A**
I ll be out here on the wind,

[Verse 2]
Sometimes late at night,
I see your picture by the dashboard light,
and it takes me, where I d like to be,
wrapped up in a blanket there,
pullin ribbons from your hair,

and your kiss, girl that s what I miss,

(pre-cho)
Still I drive these horses through the rain and snow,
This high speed rodeo is all I know,

[Chorus]
```
        A         E     F#m
I m an asphalt, Cowboy, born to run underneath the stars,
D
pay no mind to my lonely heart,
        A     E   F#m                       (A)    D
I just ride, ride,    till I m back in your arms again,
F#m                  E       D
    I ll be out here on the wind,
          A  -  E
And I ll ride,
F#m                       (A)    D
    till I m back in your arms again,
F#m                  E       D
    I ll be out here on the wind,
          A -  E
And I ll ride,
F#m
  Through the middle of the night unknown,
D                            A
 On a ride that won t let me go,
```
