*: wake up with a call throw my luggage in the hall
    go down to the desk to pay for alcohol
    F#5
    jump into a car hope we make the plane in time
    smile for all the ladies as we're passin' thru'the line i'll be down
    В5
                A/B
A/B
      B5 A/B
    in the back where those engines roar gonna make that attack on this
town once more
           C#5
```

well they say we're runnin' late to make it to the show. but when the

```
lights go down you can sure bet i'm ready to go
         F#5
                           Α5
                                 E5
Chorus:
              take 'em out
                                 kickin' up dust make 'em
         В5
                                    F#5
         jump and shout take 'em out
                                           take 'em out
                                   C#5
         rock 'n' roll's what it's all about
*: hit the stage runnin' got our motors runnin' fast
         crankin' up our guitars gonna kick some ass
         ain't no use in lyin' that's what we came to do
         give 'em all we got to make our message get thru' i'll be down
         В5
                                 A/B
                                                      В5
              B5 A/B
A/B
         in the back where those engines roar gonna make that attack on this
town once more
                       C#5
         well they say we're runnin' late to make it to the show. but when the
                                E5 (*)
         lights go down you can sure bet i'm ready to go
         F#5
                           Α5
                                 E5
              take 'em out
Chorus:
                                 kickin' up dust make 'em
                                    F#5
                                                        A5
         jump and shout take 'em out
                                           take 'em out
                                   C#5
                                              C#5

*: love to play new york where the people's got some heart (they got)
         F#5
         lennon's dedication down in central park
         F#5
         finest lookin' woman that i've ever seen
         you know they'll love the band 'cause we'll be soundin' real mean i'll
be down
                  В5
                                           A/B
                                                               В5
                   B5 A/B
         in the back where those engines roar gonna make that attack on this
town once more
                       C#5
```

well they say we're runnin' late to make it to the show. but when the
