 Ebm Fm Bbm
       Ebm
Being one of those grains of sand
       Fm
I get blown all around the world
           F#                 C#
And what I make of it - oh I don?t know.
           Ebm                   Fm        Bbm
What?s the meaning of it - oh I don?t know...
      Ebm
I?ve been around so many times
         Fm
That the world?s turning in my mind
           F#                 C#
What do I think of it - oh it?s so so!
     Bbm          Fm          F#                    G#7

I never ever realised
       Fm
it?s so easy to make you cry
           F#                 C#
But did I break a bit - oh I hope no!
           Ebm                   Fm        Bbm
Have you forgot about it - oh I hope so!
      Ebm
But you never ever wonder why
       Fm
In every single pair of eyes
           F#
There?s a hunger in it
        C#
Or it?s soul dies
     Bbm          Fm          F#                    G#7
