--|
```

Key change to D variations

```
G|-----------------------------------------------------------------------------
--|
D|-------------------------------------------------------7----------------------
--|
A|-----3-5------------------3-5--------------3-5--------------------------------
--|
E|5-5-----222333-5-5-----------222333-5/--------222333-5-----------------------
--|
```

Outro is a handful of G s .Feel free to improvise on the outro and fill in some of the space .

Really good groove feel to the song
As ever,listen to the song for the structure and variations.Feel free to throw variations
of your in.

Enjoy !
