**Under The Shadow**
**Jason Upton**

UNDER THE SHADOW OF YOUR WINGS
JASON UPTON
Stanza 1:
**Bm G D**
Iâ€™ve been running trying to find my refuge
**Bm G D**
Never stopping long enough to see
**Bm G D**
All the while you were right there waiting
**Em F#m G A**
To hide me in the shadow of your wings

Chorus:
**D F#m**
Under the shadow, under the shadow,
**G D A**
Under the shadow of your wings I will find my rest

Stanza 2:
**Bm G D**
I get so thirsty trying to find your Presence
**Bm G D**
That I forget to stop and take a Drink
**Bm G D**
All the while you are right there wanting
**Em F#m G A**
To pour your healing water over me

Bridge:
**G D A**
Itâ€™s only in you, itâ€™s only in you
