The grey ceiling on the earth

If I hurt you then I hate myself

Why do you choose your pain

If you only knew how much I love you, love you

Well, I won t be your winter
**G#  Eb  Fm  C#**

[Verse]
**G#  Eb**
The old picture on the shelf
**Fm**
It s been there for a while

A frozen image of ourselves

We were acting like a child
**Eb**
Innocent, and in a transcendence
**Fm  C#**
That lasted for a while, oh yeah

**G#  Eb**
You read my eyes just like your diary
**Fm  C#**
Oh remember, please remember, o-oh
**G#  Eb**
Well, I m not a beggar, but what s more,
**Fm**
Well, if I hurt you then I hate myself
**C#**
I don t wanna hate myself, don t wanna hurt you

Why do you choose that pain
**C#  Eb**
If you only knew how much I love you, no-oh
