

Back To Life
3OH!3

Verso I:

F **Bb9**
There's a drumline in my heart beat, I know exactly what it's from
Dm **C**

we can make this go all night night night.

Refrão:

Bb9 **Dm**
Cause if the party is dead, we can bring it back to life,
F
Yeah, we can make it through the night
C
If you listen to the words I say,
Bb9
'cause if the party is dead,
Dm **F**
all we need is candle light, and a little bit of dynamite
C
everybody won't get out of our way.

(**F**)
