Intro: **C G F**

```
C                       F              C
Just about a year ago  I set out on the road
                    Am           F                   G
Seekin  my fame and fortune  And looking for a pot of gold
C               Am                  F                 C
Things got bad,  Things got worse  I Guess you know the tune
         G            F          C
Oh lord, stuck in Lodi again

    C                      F                C
The man from the magazine  Said I was on my way
                 Am         F                   G
Somewhere I lost connection  Ran out of songs to play
C                  Am              F                        C
Came into town on a one night stand  Looks like my plans fell through
         G            F          C
Oh Lord, stuck in Lodi again

      C                                F                C
And I rode in on a grey hound  I ll be walking out if I go
                   Am              F               G
I was just passing through  Must be seven months or more
C                  Am    F                       C
Ran out of time and money  Looks like they took my friends
         G            F          C
Oh Lord, stuck in Lodi again

C                          F            C
If I only had a dollar  For every song I sung
                Am                F                G
And everytime I had to play  While people sat there drunk
C                    Am         F               C
You know I d catch the next train  Back to where I live
         G            F          C
Oh Lord, stuck in Lodi again
         G            F          C
Oh Lord, stuck in Lodi again
```
