Love Show
Skye

```
Gm            Bb
Sit down, give me your hand
Dm                           C
I m gonna tell you the future
Gm            Bb
I see you, living happily
     Dm                                   C
With somebody who really suits ya

Gm
Someone like me
Bb
Stand still
Dm
Breath in
C
Are you listening

Gm                      Bb
You don t know
                              Dm
Somebody s aching
                        C
Keeping it all in
                          Gm
Somebody won t let go
Bb                                     Dm
Of his heart but the truth is
                    C
It s painless
                                      Gm
Letting your love show
                      Bb
Break down. Give me some time
       Dm                                            C
I don t want the fear to confuse ya
Gm            Bb
Right now, it s so wrong
Dm                                     C
But maybe it s all in the future with

Gm
Someone like you
Bb
Stand still.
Dm
Breath in
```

C
Are you listening
