  C#m      B       F#m
A friend beyond compare
              C#m       B     F#m
Your s is the love that never fails
               C#m    B       F#m
Faithful yesterday today and tomorrow
   C#m     B          F#m
My joy in seasons of sorrow

    E                 E/D#
The way that You love me
          A     B    C#m  A       E
Sometimes seems unbelie----------vable
    E                E/D#
The way that You move me
          A     B    C#m  A       E
Sometimes seems unbelie----------vable

You have melted my heart of stone
You have crushed my last dry bone
Though I don t deserve a word
You have given me the world
