E                    A2       E/G#                  A2
All who are weak, all who are weary
E                      A2     E/G#                  A2
Come to the rock, come to the fountain
E                       A2       E/G#                          A2
All who have sailed, on the rivers of heartache
E                      A2   E/G#          A2
Come to the sea, come on and be set free

All who are weak, all who are weary
Come to the rock, come to the fountain
All who have climbed, on the mountains of heartache
Reach to the sky, come and give your life

             E                                A2
If You lead me Lord, I will follow
                    C#m                           A2
Where You lead me Lord, I will go
                    E                            A2
Come and heal me Lord, I will follow
                    C#m                           A2   (E)
Where You lead me Lord, I will go

E                   A2     E/G#                A2
All who are weak, all who are weary
E                   A2     E/G#               A2
All who are tired, all who are thirsty
E                       A2     E/G#                A2
All who have failed, all who are broken
E                   A2     E/G#               A2
Come to the rock, come to the fountain
