```
F#                    (F#maj7)
Yeah what happened to you?
         B9                  Ebm
When you couldn t ignore the line,
         B9                 Ebm
That got marked across your life.
             C#
What did you do?

            G#m
Did you get angry?
Ebm             Bbm7
   Did you get scared?
G#m7            G#m
   No I didn t think so,
Ebm                            C#
   You were just getting some air,
             B Ebm   C#      F#
And you were moving right along.

F#                        (F#maj7)
They re all asking about you,
    B9                   Ebm
How well you re going to cope,
    B9            Ebm
And was there any hope?
                  C#
They thought they knew.

                   G#m
They thought you d falter,
Ebm                    Bbm7
   They thought you d fail,
G#m7           G#m
   But I knew better,
Ebm                       C#
   You were just setting sail,
             B Ebm   C#      F#
```

```
And you were moving right along,
             B Ebm   C#      F#
And you were moving right along,
             B Ebm   C#      F#
Moving right along.
```
