Better Days
Jessie Gestrin

CAPO 3RD FRET

```
                C#add9             Eb                F
Here comes the part where I let out what s kept inside
         C#add9         Eb             F
But I ll go ahead and tell myself to hide
           C#add9        Eb        F
All the feelings that I try to erase
        C#add9           Eb
Now I feel like there is too much space

And I

G#
   Don t wish to complain
          Fm
But there s no one left for me to blame
       C#add9
So I guess
      Eb
I ll say
             F
I ve seen better days
         C#add9     Eb
Ooooooooooooooo
     F
Better Days
         C#add9    Eb
Ooooooooooooooo

F                 C#add9        Eb                  F
    Here comes the part where I tell myself I m fine
           C#add9       Eb                F
But the other half of me can tell I m lying
         C#add9              Eb                F
All the words I ve used to find just what I need
        C#add9          Eb
Now I feel like I m not up to speed

And I

G#
       Don t wish to complain
           Fm
But there s no one left for me to blame
     C#add9
```

So I guess
    Eb
I ll say
               F
I ve seen better days
         C#add9   **Eb**
Ooooooooooooooo
        F
Better Days
         C#add9   **Eb**
Ooooooooooooooo

 F   **C#add9**   **Eb**   **F**
     Time to drown out all the emptiness that fills
          C#add9   **Eb**   **F**
Time to patch it up and wait for it to heal
C#add9   **Eb**   **F**
Show the world that I m able to smile
               C#add9   **Eb**
And that I ll keep it on my face for awhile

Cuz I

G#
     Don t wish to complain
         Fm
But there s no one left for me to blame
       C#add9
So I guess
      Eb
I ll say
                 F
I ve seen better days

And I

G#
       Know I ve got some nerve
  Fm
But I get what I deserve
       C#add9
So I guess
      Eb
I ll say
                     F
Today was a better day
