G#: 320033 or 320003
C#add9: x32033
Fm7: x22033
Eb/F#: 200233

Intro: **C#add9**

```
G#
 I miss you so
                  C#add9
 And you ll never know
                            Fm7
 I was too afraid to try to show you love
     G#
 To give it up
   C#add9
 To let you know I might

         G#
 Care a little
        Eb/F#
 Care a lot
         Fm7                     G#               C#add9
 Hold a place for you in this stubborn heart of mine
    G#      Eb/F#
 I hide it well

                 C#add9       G#
 And maybe you ll never seeeee
           Eb/F#    Fm7   Eb/F#
 But you ve got meeeee
```

```
   C#add9            G#
And do you still remember me
     Eb/F#                 Fm7
Your long lost friend you used to need
    C#add9                  G#              Eb/F#
I m still hoping that you might find your way back
   C#add9          G#
And if you ever think of me
  Eb/F#                      Fm7
I hope you know that it ll never be
    C#add9            G#            Eb/F#
Too late for you to make your way back

G#
Are you alright
               C#add9
Are you getting by

Do you still laugh out loud
Fm7               G#            C#add9
Like we used to  til it made us cry
              G#         Eb/F#
And does it spark a memory
         Fm7                   G#           C#add9
When you hear my name does it make you miss me
     G#      Eb/F#
You hide it well

        C#add9      G#
Did you close the door
          Eb/F#  Fm7   Eb/F#
Well I m still yours

   C#add9            G#
And do you still remember me
     Eb/F#                 Fm7
Your long lost friend you used to need
    C#add9                  G#              Eb/F#
I m still hoping that you might find your way back
   C#add9          G#
And if you ever think of me
  Eb/F#                      Fm7
I hope you know that it ll never be
    C#add9            G#            Eb/F#
Too late for you to make your way back

         Fm7   Eb/F#
On a downtown street (Your favorite song on repeat)
        C#add9            Eb/F#
Drinking coffee late at night (Your favorite show on tv)
```

```
              Fm7        Eb/F#
 Driving your car around all around (Do you remember me)
C#add9        Eb/F#
 All around
           Fm7   Eb/F#
 On a downtown street (Your favorite song on repeat)
         C#add9           Eb/F#
 Drinking coffee late at night (Your favorite show on tv)
              Fm7        Eb/F#
 Driving your car around all around (Do you remember me)
C#add9
 All around

    C#add9            G#
 And do you still remember me
      Eb/F#                 Fm7
 Your long lost friend you used to need
     C#add9                  G#              Eb/F#
 I m still hoping that you might find your way back
    C#add9          G#
 And if you ever think of me
   Eb/F#                     Fm7
 I hope you know that it ll never be
     C#add9            G#            Eb/F#
 Too late for you to make your way back
                C#add9             G#            Eb/F#
 No it s not too late for you to make your way back
                 C#add9             G#            Eb/F#
 No it s not too late for you to make your way back
