Alone In This Together (Acoustic)
Star Anna & The Laughing Dog

These chords are for the acoustic version but are pretty much the same for the normal version. I only put the stuff she plays, not the second guitar.
I used this video where she plays acoustic:

[INTRO]
B/G

[VERSE]
B/G
It comes in waves til it finally breaks
       Ebm
Like a lightning streak across an empty stage
        E   **B/G**
And the memories are warm most of the time
    B/G
You sit alone in a crowded room
             Ebm
 Til there s nothing left and your heart is bruised
        E   **B/G**
And the water shines over your eyes

[CHORUS]
          Ebm **E**   **B/G**
And we re all alone in this together

[VERSE]
            B/G
We re gonna make it out make it out alive
        Ebm

```
 Til it lays to rest and we realize
     E                  B/G
That time is nothing at all

[CHORUS]
          Ebm  E             B/G
And we re all alone in this together

          Ebm  E             B/G
And we re all alone in this together

[Instrumental]
B/G  Ebm  E  B/G

[VERSE]
        B/G
I can t believe you re so out of reach
         Ebm
That you had no choice
You were never free
              E                    B/G
From all that pain brought down on you
Does it make you weak, is it something new
             Ebm
To admit you failed
That you can t get through
    E              B/G
And all of this is real

[OUTRO]
          Ebm  E             B/G
And we re all alone in this together
          Ebm  E             B/G
And we re all alone in this together
          Ebm  E   (strum these two chords one time only)
And we re all alone in this
```
