Telling Them
Starsailor

I think these chords are right. They are at least good enough to sing the song to.

G# G#
We set off that day shaking all the way,

Bbm G#
would your Mother speak to us again.

G# G#
Put away your doubt that won t help us out,

Bbm G#
just be sure to call before you ground.

Bbm Eb Bbm C#
The sun shone, the wind cried, so long, goodbye.

G#

G# G#
Lay your body down for the here and now,

Bbm G#
just be sure to win before you re out.

G# G#
How you feeling now living with the crown,

Bbm G#
look at her and say you ve been let down.

Bbm Eb Bbm C#
The sun shone, the wind cried, so long, goodnight.

(play this section twice)

G# Ebm F# G#
By the book or by the gun there s fear inside of everyone.

G# **Ebm** **F#** **G#**
Turn your head to face the sun and love will keep you safe.

(musical outro with awesome strings!)

B, Ebm

It simply switches back and forth between C# and Fm. If you want to catch the ensemble
walk-up progression that last time through, play these chords and follow the rhythm of
the bass line:

Fm, Gm, G#, Bb, Cm, C#.....and the last chord of the song is Fm

Enjoy! It s a brilliant song!
