Lyrics:

[Verse 1]

hey, don t write yourself off yet
it s only in your head you feel left out or looked down on
just try your best
try everything you can
and don t you worry what they tell themselves when you re away

[Verse 2]

hey, you know they re all the same
you know you re doing better on your own so don t buy in

live right now
just be yourself
it doesn t matter if that s good enough for someone else

[Chorus]

it just takes some time
little girl, you re in the middle of the ride
everything everything will be just fine
everything everything will be all right

[Verse 3]

do your best
do everything you can
don t you worry what thier bitter hearts are going to say
