Strange song...

|**Bm F#7/A#**| |**A D F#**|

|**Bm F#7/A#**| |**A D F#**|

|**Bm F#7/E**| |**Bm F#7/E**| |**Bm**

(**Bm**) **F#7/A#** **A** **D** **F#** **Bm**
We build it all, soon we re scaling the wall together
A#o **A**
Hard hearts, simple minds, no thought of what
D **F#** **G**
We re leaving behind forever more
D **A** **G**
Oh well, I never really knew my place
D **A** **G**
I was a nuclear waste of space
D/F# G **Asus4** **Bm**
Now I m a lover of the human race

|(**Bm**) **F#7/E**| |**Bm F#7/E**|

Flat broke, empty house, ice cold, hand to mouth we re getting
Cracked up, gone to seed, blindly following politician s lead
Oh well, I never really knew my place
I was a nuclear waste of space
Now I m a lover of the human race

D **G** **D**
We need something more
G **D**
always something more
G **Em**

Still we know for sure
Asus4 A Em
show is nearly over now
F#
Party s gonna come to an end

|**Bm A Bm D A**| |**Bm A Bm D A**|
