Trust In Me
Joe Cocker

Intro: **F# B F# B**

Verse

```
F#
I see you turning the world in your hands
            C#
Just let it go
F#
I ve loved you better than anyone else
            C#
Doesn t it show
            G#m                    C#                  G#m
We ve been standing at the window day and night
                C#
Looking at the rain
        G#m                        Bbm                    B
When a simple conversation might help the situation
                 C#
Please let me explain
```

```
         F#
Trust in me, when you are alone
         B
Trust in me, when you can t go on
         G#m             C#
If loving me is what you need
         F#
Trust in me
```

Verse

```
B                  F#
Don t make it easy I don t mind
                          C#
There s something I can do
F#
You just try to see what you see
                       C#
And I ll be there for you
```

```
      G#m                   C#                G#m
Been standing at the window day and night
                  C#
Tell me what you see
G#m                 Bbm            B
Sun in the daytime, moon at night
                           C#
That s how easy it should be

         F#
Trust in me, when you're all alone
         B
Trust in me, when you can t go on
         G#m              C#
If loving me is what you need
         F#
Trust in me

F#
Trust in me when you can't go on
         B
Trust in me when your strength is gone
          G#m                 C#
If loving me is the power to heal
         F#
Trust in me
```

Verse

```
        B               G#m       C#
If you need someone to hold
                     F#
Call me and I'll be there
       G#m                            Bbm
And if ever you're in trouble and you need someone darlin'
B                              C#         F#
Call me, call me, call me,  call me……yeah
```

Instrumental: F# F# B B G#m C# F# F#

Bridge

```
B
Move a little closer

A little closer to the phone
G#m  B     C#         F#
Move   oh darlin', move on in
```

F#
Won’t you, trust me please when you’re all alone
B
Trust in me when you can’t go on
G#m C#
If loving me is what you need
F# B
Trust in me, trust in me, darlin’ trust a little, trust in me
G#m C#
I…….I trust in you, you trust in me
F#
I trust in you too
