VERSE 1

```
G#                      C#
Truth and consequences close behind us
G#       Eb                G#   G#6
take the rockies by surprise
G#                 C#
and old coyotes warn early mornings of
G#    Eb             G#    G#6
wild horses in desquise
```

CHORUS

```
Eb                 F-            C#
won t you take me through the mountains
 G#          Eb        G#
towards the oregon trial
Eb                  F-
and say goodbye to Colorado
G#             Eb           G#
front my heart I wish you well
```

(Repeat intro)

VERSE 2

we missed the magpie so we took a long drive

could not get far enough away

tracked through the deep snow and turned up the radio

and toasted outside santa fe

CHORUS

won t you take me

through the mountains

towards the oregon line.

say goodbye to Colorado

fare the well good friend of mine

(Repeat intro)

VERSE 3

woke up in Idaho and it was twenty three below

we walked out as far as we could stand

I watched you in your black coat as you photographed the hills a rollin

count to three and when we ran
