Intro:
D

Verse 1:
D Gmaj7 D
Truth is I never was young
A Gmaj7
Shot like a bullet from a rusty old gun
A
I could never find the straight and true
Gmaj7 D
Honey, baby, till I found you

Verse 2:
Gmaj7 D
I ain t sayin I ever grown up, girl
A Gmaj7
Oh, I m the biggest baby in the world
A
I know you can say a lot about that
Gmaj7 D
But you re so sweet, you keep it under your hat

Chorus:
Gmaj7 D
Honey, I m still the same old man
A Gmaj7
That you married way back when
A
A few less brain cells, a lot less hair
Gmaj7 D
Honey, tell me, do you still care?
Gmaj7 D

```
I love you more than I ever did
           A           Gmaj7
I love you just like a little kid
                           A
Guess I ll always be your biggest fan
                      Gmaj7     D
Honey, I m still the same old man

Verse 3:
        Gmaj7         D
We been down a rough road or two
         A          Gmaj7
This is another one we ll get through
              A
Don t ask me how I know
                       Gmaj7        D
I m just saying, baby, please don t go

Verse 4:
            Gmaj7         D
Cause I can still sparkle up your eyes
        A            Gmaj7
You can still cut me down to size
               A
Please take me as I am
                      Gmaj7    D
Honey, I m still the same old man

Repeat Chorus

Verse 5:
              Gmaj7            D
You start out trying to change everything
            A           Gmaj7
You wind up dancing with who you bring
                           A
I loved you then and my love still stands
                      Gmaj7    D
Honey, I m still the same old man
