```
 G
Every breath you take
                   Em
And every move you make
                 C                     D7
Every bond you break, every step you take

I ll be watching you

              G
Every single day

Every game you play, every night you stay
