Meet You In The Middle
Stoll Vaughan

A - 320033
D - x32033 (actually a Cadd9 or something to that effect*)
E - 2x023x (actually **B G#/Esus***)
F#m- 022033 (actually an Em-something or other*)
*straight-up letters confuse me much less

```
A                           D
   Broken hearted from the day you were born
A                                E
   It ain t your fault don t you worry babe
A                                       D
   They will try to break you they will try to drain you
A                           E
   You gotta learn just to turn away
A                     D
   You were born with angels  wings
A                            E
   Look in the mirror that s all you ll see
A                     D
   All the things you want you know
A                    E          (hold the E)
   You gotta love it completely

     F#m                    D              A    E
I ll meet you in the middle of a hurricane
     F#m                          D                        A             E
I ll meet you in the middle of a flood with a boat in the pouring rain
     F#m                    D              A    E
I ll meet you in the middle of a sad song
     F#m                    D                 A  E
I ll meet you anywhere you want if you carry on...yeah
```

F#m D A E

```
A                      D
  No one should try to change your plans
A                           E
  That you should know and understand
A                        D
  See yourself from the point of view
A                E
  That no one controls you
A                         D
  You were born with the world in your hands
A                   E
  But it can easily slip away
A                                  D
```

```
  You re feelin fragile but you re more than able
A                            E           (hold the E)
  I m just here to help you see the way

     F#m                     D              A    E
I ll meet you in the middle of a hurricane
     F#m                          D                        A             E
I ll meet you in the middle of a flood with a boat in the pouring rain
     F#m                     D              A    E
I ll meet you in the middle of a sad song
     F#m                     D                 A  E      F#m
I ll meet you anywhere you want if you carry on... yeah

D                 A
  You were never alone
E                    F#m
  You will never be alone
D                    A      E     (hold the E)
  You will never be alone....

A                  D
  Don t forget they stole your laugh
A                    E
  You don t wanna go back to that
A                      D
  Coming at you with a fury of lies
A                         E
  You gotta learn just to turn your back
A            D
  You got so much to give
A                  E
  More than they ll ever know
A                    D
  You were born with angels  wings
A                         E                (hold the E)
  Look at the shadow that cast on the floor

     F#m                     D              A    E
I ll meet you in the middle of a hurricane
     F#m                          D                        A             E
I ll meet you in the middle of a flood with a boat in the pouring rain
     F#m                     D              A    E
I ll meet you in the middle of a sad song
     F#m                     D                 A  E       F#m
I ll meet you anywhere you want if you carry on... yeah

D                 A    E
  You were never alone
                  F#m   D
You will never be alone
                A    E
You were never alone
                  F#m   D
```

```
You will never be alone
                    A    E
You will never be alone
                    F#m   D
You will never be alone
                    A    E   F#m   D   A   E   A
You will never be alone...
```
