Living in fear because the world is cold
     Am
And hope might be coming but you never know.
          C
There are dead end streets around every turn.

And someone s telling jokes but you never smile,
       C   **Am**
As the rows of tombstone houses pass you by.

And I say, you say, we say change.

But we all know just what they say.
    C   **Am**
The more things change the more they stay the same.
                    C(strum once)
They just stay the same.
