```
          A            F#m
There are places I ll remember
       D   Dm         A
All my li  fe, though some have changed.
A                     F#m
Some forever, not for better
          D   Dm        A
Some have go  ne  , and some remain.
          F#m                  D
All these places had  their  moments,
    G                      A
With lovers and friends  I still recall.
         F#m                 B7
Some are dead and some are  living,
   Dm            A
In my  life I ve loved them all.

A                            F#m
But of all these friends and lovers,
         D   Dm        A
There is no  one com  pares with you.
A                              F#m
And these mem ries lose their meaning,
             D   Dm       A
When I think of  love as something new.
       F#m                        D
Tho  I know  I ll  never lose affection
   G                      A
For people and things that went before,
  F#m                                B7
I know I ll often stop and think about them.
   Dm         A
In My  Life I love you more.
   Dm                 A
In My  Life I love you more.
