Suede

Intro: **A Bm F#m C#m Bm G E**

```
                 D                   C#m
And I m not too scared to love you on the darkest days
E                                   F#m
And I m not too scared to watch it fail
                 D                   C#m
And I m not too scared to watch you let it slip away
Bm                                  C#
And pull a wire through our daisy chain
```

Well you wake me when I scream
Kiss the anger out of me
Well we pushed and cried
But we tried and tried again
Pouring petrol over her
Strike a match and watch it burn
We re anaesthetised but we ll learn to rise again
