

Set You Free

3OH!3

Capo 3.

Bbm **F#**
Who-oooh-oooh-oooh are you anyways?
C# **G#** **Bbm**
I can't count how many days you weren't here.
F#
The walls were closing in on me,
C# **G#**
But I don't live in debt, no more.

Bbm
There's a place in my head
F#
That repeats what you said,
C# **G#**
That repeats what you said that day.
Bbm **F#**
You're afraid the mistakes that you made
C#
Dug your grave but baby,
G#
That's the price you pay.

Bridge:

Bbm **F#**
So don't shut down this town,
C# **G#**
Ain't big enough for both of us, whoa.
Bbm
And now I've found
F#
You'll never get enough from me,
C# **G#**
So, baby, I'mma set you free,
Bbm
Yeah I'mma set you free.

Chorus:

Bbm **F#**
Who-oooh-oooh-oooh are you anyways?
C# **G#** **Bbm**
I can't count how many days you weren't here.
F#
The walls were closing in on me,
C# **G#**

Who-oooh-oooh-oooh are you anyways?

I can't count how many days you weren't here.

The walls were closing in on me (closing in)

But I don't live in debt, no more.

Who-oooh-oooh-oooh are you anyways?

I can't count how many days you weren't here.

The walls were closing in on me (closing in)

But I don't live in debt no more.

Whoa, Whoa, Whoa, Whoa [x4]
