INTRO

VERSE PT 1
People have the right to fly
And, well, when it gets compromised

VERSE PT 2
Their hearts say Move along
Their minds say Gotcha heart
Let?s move it along
Let?s move it along

VERSE PT 1
And airports
See it all the time

VERSE PT 2
With someone s last goodbye
Blends in with someone?s sigh
Cause someone s coming home
In hand a single rose

CHORUS
And that s the way this wheel keeps working now
That s the way this wheel keeps working now
And I won t be the last
No I won t be the last,
To love her

VERSE PT 1
And you can t build a house of leaves
And live like it?s an evergreen

VERSE 2
It s just a season thing
It s just this thing that seasons do

CHORUS
And that s the way this wheel keeps working now
That s the way this wheel keeps working now
And you won t be the first
No you won t be the first
To love me

VERSE 1
VERSE 2

VERSE 1
VERSE 2

VERSE 1
You can find me, if you ever want to give

VERSE 2
I ll be around the bend
I ll be around
And if you never stop when you wave goodbye
You just might find if you give it time
You will wave hello again
You just might wave hello again

CHORUS (without second part)
And that s the way this wheel keeps working now
That s the way this wheel keeps working now

OUTRO
You can t love too much, one part of it
I believe that my life s gonna see
The love I give
Return to me
