Darkest Days
Suede

Intro: **Bb Cm Gm Dm Cm G# F**

```
                 Eb                   Dm
And I m not too scared to love you on the darkest days
F                                   Gm
And I m not too scared to watch it fail
                 Eb                   Dm
And I m not too scared to watch you let it slip away
Cm                                  D
And pull a wire through our daisy chain
```

Well you wake me when I scream
Kiss the anger out of me
Well we pushed and cried
But we tried and tried again
Pouring petrol over her
Strike a match and watch it burn
We re anaesthetised but we ll learn to rise again
