Chords:

D: xx0232
G: 320033 or 320003
A: x02220
Bm: x24432

Intro: **D** **G** x2

```
D               G
  Feels like I m flying
D              G
  Wings made of light
D              G
  Brand new and shining
          D                       G
  Like a shot rung out through the night

A              Bm            G          A
  A heart that beats, an incredible machine
Bm           G                D                  A
  Made of blood and love and hope and lust and steam
        D      G
  Calling
        D      G
  Calling
        D      G
  Calling

D               G
  Feels like i m floating
D              G
  Weightless in flight
D             G              D               G
  Planets exploding as the soul and gravity fight
```

```
A                Bm            G           A
  A heart that beats, an incredible machine
Bm           G                  D                   A
  Made of blood and love and hope and lust and steam
           D       G
  Calling
           D       G
  Calling
           Bm
  Calling

  Bm                              D           G
  Lifted higher mercury skies above
  Bm                                        D          G
  Calling, water fire burning a sign of love

A               Bm            G           A
  A heart that beats, an incredible machine
Bm            G                 D                   A
  Made of blood and love and hope and lust and steam
          D      G
  Calling
          D      G
  Calling
          D      G
  Calling
          D      G
  Calling

  D         G       (Repeat these two chords until the end of the song)
```
