Sad Girl
Supergrass

Date: Thursday 7 September 2006
From: Erik Koene (email at *)
Album: Road To Rouen (*2005)

Beautiful song... And yet no one tabbed it!
I m not a great tabber , but I tried my very best on this :)(-> 45 minutes!)

Please also note: I ve put the whole chorus under the C#m chord. Altough it sounds right
playing along with the music, it gives the wrong effect when playing alone. I guess it
a bit better on piano than on guitar...

Standard tuning (Eadgbe)

Chords used:

```
    G#   F#   D#   B   C#m   G#m   G
e|--4----2----3----2----4----4-----3-----------------------------------------
|
B|--4----2----4----4----5----4-----3-----------------------------------------
|
G|--5----3----3----4----6----4-----4-----------------------------------------
|
D|--6----4----5----4----6----6-----5-----------------------------------------
|
A|--6----4----6----2----4----6-----5-----------------------------------------
|
E|--4----2----3----2----4----4-----3-----------------------------------------
|
```

INTRO
*CHORDS [optional]
G# G# F# F# D# D# D# D#

*BASS
e|---------|
B|---------|
G|---------|
D|---------|
A|---------|
E|-4--2--3-| Play 2 times

VERSE 1
G# G# F#   F#   D#   D# D# D# D#
Honey found time costs

G# G#   F#   F# D# D#   D# D# D# D#
You never learnt to economise
D#   D# B   G#   G# G#   G# G# G#
You look around and before you know
     G#   F#   F# D# D# D# D# D# D#
It s gone, turned to dust

CHORUS 1
*CHORDS
C#m
There she goes
Plays the part of sorrow
In the garden running free
Steady nerves, taking all the hard knocks
You ve only got yourself
D#
Falling out of love
Making other plans

*GUITAR [small thingy]
e|--------------------------------|
B|--------------------------------|
G|----------6---4-1--------------|
D|--------------------------------|
A|--------------------------------|
E|--------------------------------| repeat after every sentence of the Chorus

VERSE 2

G# G# F#   F#   D#   D# D# D# D#
Lady knows how to go
G# G# F#   F#   D# D# D# D# D# D# D#
Making eyes in a photograph
D# D#   B   G#   G#   G# G# G#
But we all know you re a lonely girl
G#G#F# F# D# D# D# D# D# D#
All sad and lost

CHORUS 2
*TABS
C#
There she goes
Walking out the front door
You ve only got yourself in deep
Daily life driven to a cold heart
The only god you know is greed
D#
People in my head it goes

*GUITAR [small thingy]
e|--------------------------------|

```
B|-------------------------------|
G|----------6---4-1--------------|
D|-------------------------------|
A|-------------------------------|
E|-------------------------------| repeat after every sentence of the Chorus
```

BRIDGE

D#
Break out the band
G#m
Man over board
G#
See how it works
B
Running out of cash
D#
Get out of bed
G#m
Call off the dogs
G#
Take out the trash
B
Stay out the sun
D#
Man on the tracks
G#m
Cat out the bag
G#
Sit on the fence
B
You got blood on your hands
D#
Run out of luck
G#m
Lay down your arms
G#
Cut on your ...
G
And do it all again

VERSE 3

G# F# D#
Are times so lost
G# F# D#
You wear the look of a modern girl
D# B G#
You wander round like a loaded gun
G# F# D#
Armed for the cause

CHORUS 3 [end]
*CHORDS
C#
There she goes
Walking out the front door
You ve only got yourself in deep
Lord knows I closed your eyes for so long
You re in the garden running free

*GUITAR [small thingy]
```
e|--------------------------------|
B|--------------------------------|
G|----------6---4-1--------------|
D|--------------------------------|
A|--------------------------------|
E|--------------------------------| repeat after every sentence of the Chorus,
```
and then repeat till end.

Good luck! Say me thanks, send me corrections (altough I m not registered here, so I
edit them...) or whatever using the email adress above!
