Jonas Alaska - Elena

Jonas Alaska (2011)

[Intro]

E

```
Am           B      C#m        Am
where did it all go wrong for you,
E          B     E
Elena, you fell apart
Am            B
your kids are alone
        C#m       Am
they re on their own
E          B           E
Elena, you broke their hearts
```

[Verse]

```
A            B
the lake has dried up
    E         A
the woods are dead
    A     G#m  F#m            E
the train station is closing down
    A         B
but you can t see it
       E       A
 cause in your head
       A   G#m  F#m       E
you ve already left this town
```

[Chorus]

```
Am           B      C#m        Am
So where did it all go wrong for you,
E          B     E
Elena, you fell apart
Am            B
your kids are alone
        C#m       Am
they re on their own
E          B           E
Elena, you broke their hearts
```

[Verse]

```
A            B
the lights are glowing
    E         A
the powers gone
    A     G#m  F#m            E
your empathy in love has drowned
    A         B
your food is rotten
       E       A
your face is (??)
       A   G#m  F#m       E
you ve already left this town
```

[Chorus]

```
        Am           B      C#m        Am
        So where did it all go wrong for you,
        E          B     E
        Elena, you fell apart
        Am            B
        your kids are alone
                C#m       Am
        they re on their own
        E          B           E
        Elena, you broke their hearts
```

[Verse]

```
A            B
But I remember
    E         A
your golden days
    A     G#m  F#m            E
the way you showed your guests around
    A         B
your humble laughter
       E       A
your warming face
       A   G#m  F#m       E
you smiled and were new in town
```

[Chorus]

```
        Am           B      C#m        Am
        So where did it all go wrong for you,
        E          B     E
        Elena, you fell apart
        Am            B
        your kids are alone
                C#m       Am
        they re on their own
```

```
E          B           E
Elena, you broke their hearts
E          B    E
Elena, you fell apart
```
