Walk Softly On The Bridges

```
D                 G         D
Don t be careless with your darling
G      D        A7            D
If you love him don t let him down
                   G         D
If you re faithful he won t leave you
G        D      A7        D
Lost and wasted the way I am

Chorus:
D                  D7                  C  G
Walk softly on the bridges that you re crossing
      D                                        A7
Don t break his heart then cry cause it won t mend
   D              D7              C G
Be careful not to slam the door behind you
        D             A7            D
You may need to knock upon his door again

When temptation flirts and whispers
Come and taste my lips they re sweet as wine
If you weaken you ll be cheating
On your own heart like I did mine

Chorus
```
