Yeah eah yea eah
Bbm
Oh hey hey hey

            Fm             F#           C#             G#
You gave me something like loving  and took me in so soon
            Fm            F#           C#        G#
You took my feelings from nothing came back at noom
     Fm        F#        C#              G#
Just maybe I´m ready to show myself to you

F#                C#                 Bbm               G#
So if I loose my patience you must try to understand
(try to understand)
F#            C#          G#
If I lose my patience Oh yeh
                  Fm  F#
Cause you make me feel
      C#           G#    Fm  F#
Cause you make me feel wild
    C#        G#     Fm   F#
You touch my inner smile
    C#      G#      Fm  F#
You got me in the mood
   C#           G#         Bbm
So come on and make your rule,and free me

            Fm        F#            C#             G#
You make my wishes as much as your kisses make me blue
                Fm        F#        C#           G#
You`ve found my river now will you escape away too
    Fm       F#         C#            G#
But baby I´m ready I´m falling into you

F#                C#                 Bbm               G#
So if I loose my patience you must try to understand
```

(try to understand)

Repete refrão

(Fm F# C# G#)
Sometimes I need to be alone
Theres times I need for you to phone
Sometimes you make me feel so high
Theres times I ask myself why

Sometimes I need to be alone
Theres times...
