Hey there
            Eb                                        F
Where you going with that load of nothing in your hand?
  F        F7
 I said hey, there
              Eb                  F
I feel this green and pleasant wind

     Bb             Eb            F
I m going down to Liverpool do nothing
     Bb             Eb            F
I m going down to Liverpool do nothing
     Bb             Eb            F
I m going down to Liverpool do nothing
                    Bb
All the days of my life

Hey, where you going with that UB-40 in your hand
I said hey, there
I feel this green and pleasant wind
