

Streets Of Gold
3OH!3

Bm **G**
You can say it all

D
And I can bite my tongue

Am
Cause it would take all week

Bm
To tell you where I m from

G
I know what your about

D
Why don t you close your mouth?

Am
And step right over here

So we can dance this [out]

Bm **G**
These lazy days are way to long

D **Am**
Like razor blades, under your tongue

Bm **G**
And the city lights, will burn you down

D **Am** **Bm** **G**
Or build you up, high above the ground

D **Am** **Bm** **G**
High above the ground, high above the ground

D **Am**
High above the ground

(**Bm G D Am**)
