Too Afraid To Love You
The Black Keys

[Intro]
F#m

[Verse 1]
F#m
My gears they grind
More each day
      Bm
And I feel like
                    F#m
They re gonna grind away
And the city blocks
They drive me wild
Bm
The never ending
           F#m
Mile after mile

[Chorus]
          D   **C#m**   **Bm** **Esus2/A** (3x0230)
I just don t know what to do
          F#m
I m too afraid to love you

[Verse 2]
F#m
It s heaven on earth
It s in her embrace
Bm
Her gentle touch
            F#m
Her smiling face
I m just one wishing
Halo was up here
Bm
With someone
        F#m
Oh, somewhere

[Chorus]
          D   **C#m**   **Bm** **Esus2/A**
I just don t know what to do
          F#m
I m too afraid to love you

[Bridge]
Bm

All those sleepless nights
And all those wasted days
F#m
I wish loneliness would leave me
But I think it s here to stay
Bm
What more can I do?
Caus I m wringing myself dry
C#m
And I can t afford to lose
One more teardrop from my eyes

[Outro]
F#m
I m too afraid
I m too afraid
I just don t know what to do
With myself

N.C.
Thinking all the time
Don t know what to do
Don t know what to do
Driving me out of my mind
