

**Streets Of Gold**  
**3OH!3**

**Am** **F**  
You can say it all  
**C**  
And I can bite my tongue  
**Gm**  
Cause it would take all week  
**Am**  
To tell you where I m from  
**F**  
I know what your about  
**C**  
Why don t you close your mouth?  
**Gm**  
And step right over here  
  
So we can dance this [out]  
**Am** **F**  
These lazy days are way to long  
**C** **Gm**  
Like razor blades, under your tongue  
**Am** **F**  
And the city lights, will burn you down  
**C** **Gm** **Am** **F**  
Or build you up, high above the ground  
  
High above the ground, high above the ground  
**C** **Gm**  
High above the ground  
  
( **Am** **F** **C** **Gm** )
