[Intro]
C# Bbm C# Bbm

[Verse]

```
       C#
If you save yourself for marriage

You re a bore
             Bbm
If you don t save yourself for marriage

You re a whore-able person
       F#
If you won t have a drink

Then you re a prude
            Ebm
But they ll call you a drunk
           G#
As soon as you down the first one

   C#
If you can t lose the weight

Then you re just fat
    Bbm
But if you lose too much

Then you re on crack
       F#
You re damned if you do

And you re damned if you don t
       Ebm
So you might as well just do
    G#
Whatever you want  So
```

[Chorus]

```
C#
Make lots of noise
    Bbm
```

And kiss lots of boys
C#
Or kiss lots of girls
Ebm **G#**
If that s something you re into
C#
When the straight and narrow
Bbm
Gets a little too straight
F#
Roll up a joint, or don t
C#
Just follow your arrow
G# **C#** **C#/B**
Wherever it points, yeah
Bbm **C#**
Follow your arrow
G# **C#** **Bbm** **C#** **Bbm**
Wherever it points

[Verse]

C#
If you don t go to church

You ll go to hell
Bbm
If you re the first one

On the front row
Bbm
You re self-righteous

Son of a-
F#
Can t win for losing

You just disappoint em
Ebm
Just cause you can t beat em
G#
Don t mean you should join em

[Chorus]

C#
Make lots of noise
Bbm
And kiss lots of boys
C#

Or kiss lots of girls
Ebm **G#**
If that s something you re into
C#
When the straight and narrow
Bbm
Gets a little too straight
F#
Roll up a joint, or don t
C#
Just follow your arrow
G# **C#** **C#/B**
Wherever it points, yeah
Bbm **C#**
Follow your arrow
G# **C#**
Wherever it points

[Bridge]

C#
Say what you feel
Bbm
Love who love
C#
Cause you just get
Bbm
so many trips around the sun
F#
Yeah, you only
C#
Only live once

[Chorus]

C#
Make lots of noise
Bbm
And kiss lots of boys
C#
Or kiss lots of girls
Ebm **G#**
If that s what you re into
C#
When the straight and narrow
Bbm
Gets a little too straight
F#
Roll up a joint, I would
C#
And follow your arrow

```
    G#        C#        C#/B
Wherever it points, yeah
Bbm           C#
Follow your arrow
    G#        C#       Bbm    G#     C#
Wherever it points
```
