Well I wish I had me  $1 million dollars
Oh one million to call my own
I would raise meat and say,  grow for me baby
I would raise me a tobacco farm
Well I wish I would have me a great deal of money
Yeah and mighty good things all over town
Now I ain t got no more money
All of my good friends are putting me down
Now I ain t got no more money
I m gonna pawn my watch and chain
I would have pawned my seat Gabriella
But the smart girl wouldn t sign her name
....
Give me headstone when I die
