Waking Up Sideways
Kassidy

```
Chorus   D                          A
         Lurking in the shadows of madness
         I m feeling like a fool in the silence
                        G          A
         I m waking up sideways
         I m waking up sideways

Verse    Well I m low coz you re here
 (same)  Got it right, I m seeing clear
(chords) When it s hard to let go
         And I think you should know

Verse    Moving on from your eyes
 (same)  Got me down, I feel alive
(chords) When you re on my mind
         And I hope there s time for me to say

Chorus

Verse    I forgot what to say
 (same)  What to do when you re away
(chords) When you re up and down
         When you re near I ll find a way to stay

Chorus

Interlude     Bm - A - Bm - A - Bm - A - G - A

Bridge - mmmmm   (same chords as chorus/verse)

Chorus    (x2)

Outro           (same chords as chorus/verse) - End on D
```
