Pickers Lament

Capo: 5

[Intro]: C G Am  
F G C

[Verse]: Well I came here to see you this mornin ,

And they told me that you d moved away.

I was hopin that I d get to see you,

We had many things left to say.

We played 20 years on the road then,

Many places I can t quite recall.

It was the best of times then and I d do it again,

But time robs the choice from us all.

[Break]: C G Am F G C

I guess that the boys have all drifted away,

I guess that we ll never quite know

But I m hopin they re playin in some little bar,

It makes me feel good to think so.

Doo do doo 2x: C G Am F G C

D A Bm Bm/A

G A D  
I ve been travelin from so far away

D A Bm Bm/A

D A Bm Bm/A  
Did we ever make hearts sore with feeling?

G A D  
Did we ever bring a tear to their eye?

D A Bm Bm/A  
Were the songs that we played just some vague masquerade

G A D  
As we d grab for their money and ride?
