I have been evicted from a soul constricted

D F#m D F#m
By the flameless fire

Can we all just go cold

Just C and Em, same as the intro

Chorus

G A D G
If you need a little cash you sell yourself to everything

G A D G Bm
A dollar in exchange for failing hearts, so loudly sing

Verse

Bm G
Oh how I surely know that frame of mind

```
                     Em
Sleeping softly curbside

                         A           Bm
Comfortably abroad on a stolen ticket

Bm                                          G
None of this will last, all of this will pass

                             Em
When bed sheets are broken glass

                                          A
I know your hearts all skip a beat in empathy

*Repeat Chorus*

*Repeat Verse*

*Bridge*

    G
Its just that easy, pick yourself up

                                    Bm

Hey kid get a job

Wash that mouth out, ditch those morals
