Pickers Lament

Capo: 5

[Intro]: B F# G#m
E F# B

[Verse]: Well I came here to see you this mornin ,

E F# B
And they told me that you d moved away.

B F# G#m
I was hopin that I d get to see you,

E F# B
We had many things left to say.

B F# G#m
We played 20 years on the road then,

E F# B
Many places I can t quite recall.

B F# G#m
It was the best of times then and I d do it again,

E F# B
But time robs the choice from us all.

[Break]: B F# G#m E F# B

B F# G#m
I guess that the boys have all drifted away,

E F# B
I guess that we ll never quite know

B F# G#m
But I m hopin they re playin in some little bar,

E F# B
It makes me feel good to think so.

Doo do doo 2x: **B** **F#** **G#m** **E** **F#** **B**

C# **G#** **Bbm** **Bbm/A**
Well I came here this mornin to see you

F# **G#** **C#**
I ve been travelin from so far away

C# **G#** **Bbm** **Bbm/A**
I needed to see you just one more time

F# **G#** **C#**
I needed to know what you d say

C# **G#** **Bbm** **Bbm/A**
Did we ever make hearts sore with feeling?

F# **G#** **C#**
Did we ever bring a tear to their eye?

C# **G#** **Bbm** **Bbm/A**
Were the songs that we played just some vague masquerade

F# **G#** **C#**
As we d grab for their money and ride?

Doo do doo: **C#** **G#** **Bbm** **Bbm/A** **F#** **G#** **C#**

C# **G#** **Bbm** **Bbm/A**
Well I came here to see you this mornin ,

F# **G#** **C#**
But they told me that you d moved away.

C# **G#** **Bbm** **Bbm/A**
I was hopin that I d get to see you,

F# **G#** **C#**
We had many things left to say.
